# Thank you!

Hey 👋
Thank you very much for downloading Holly, a free HTML/CSS landing page designed and developed by @pacovitiello and @DavidePacilio!
Our aim is to build a gallery of 30+ HTML/CSS templates for startups, so be sure to be in touch, and please feel free to reach us out if you've any kind of questions or suggestions.

**Need customizations?**

We can help you customize this template for all your needs. Are you looking for advanced layout tweaks? Custom code? Illustrations? Just name it, and we'll be glad to help! 👌
